

June 11, 1934

Mr. Wallace R. Wayman,
Price, Utah.

Dear Sir:

RE: PACK CREEK.

This will acknowledge receipt of your letter under date of June 2nd in which you report upon your visit and conference with water users on Pack Creek.

While you do not report that the commission which I gave you for Mr. Reed Lancer was delivered, yet I take it that you delivered this to him. His bond has also been provided by Mr. Dalton. You seem to have completed the work thoroughly; they should be able now to make the division of the creek without further difficulty.

Please submit a bill for your services and expenses in connection with this work.

Yours very truly,

T. H. Humpherys,
STATE ENGINEER.
